Your Service

The Church

The authentic 1920s church is centrally located within the Ag Heritage Village and features original stained glass windows, rimu wooden benches and a cobbled courtyard area.

The church is non-denominational, so you can invite a non-religious celebrant or a celebrant from your own faith to minister your wedding. And if you choose to have your wedding service in another location in the Ag Heritage Village, the church will still be available for photographs.

Capacity: The church allows seating for 85 people on pews, with room for 15 people standing.

The River

Only in the Waikato could you have a peaceful romantic wedding ceremony on the banks of the river. Surrounded by lush grasses and with the sound of water flowing, it's the choice if you would like something naturally beautiful.

A wooden jetty serves the Ag Heritage Village property from the Waikato River, there is scope for a dramatic jet-boat entrance.

Capacity: Limited only by the scope of your sound system if you choose to have one, make an appointment to visit and talk to our wedding coordinator about capacity options near the river.

The Terraces / Garage Trellace / Church Alcove

Choose the terraces for your service if you would like an outdoor setting where your ceremony can be staged in close proximity to your guests. The terraces allow great viewing opportunities for all your guests with seating available for all or some guests.

Capacity: Up to 150 people standing or seated in all locations and there's room for plenty more on the grass banks.

The Pergola

The romantic pergola extends onto the lake in the Ag Heritage Village and offers a unique and tranquil option for an outdoor service while your guests view from the lake edge. To ensure your guests can hear every word, a sound system can be installed in the pergola.

Capacity: Limited only by the reach of your sound system.

The Bridge

Meeting in the middle of the bridge to share your vows is a unique and beautiful option at the Ag Heritage Village.

Capacity: Limited only by the reach of your sound system.

Your Reception

The Bledisloe
